Water/Sewer Committee

1. Well # 117

- The mayor and council met with Scott Jackson regarding options for acquiring the property where test well #117 is located.
- It was proposed that the city assume ownership of the property for the purpose of developing the well, with payments to Mr. Jackson for a little over six years.
- City Attorney Newberry stated that the property would need to be appraised and the value of the well would be included in the appraisal.
- City Attorney Newberry stated that if council wanted to move forward with the acquisition of the property, they would need to vote to start the process.
- The council meeting on April 6, 2026 will include an executive session to continue discussing the issue.

There being no further business to discuss, the meeting was adjourned.
